

The Post-Tribulational Rapture

Strengths

**The Bible consistently describes the
Rapture, Resurrection, and Return together**

At the end of the final 3.5 years

"I will raise them up on the Last day"

**We are called to endure until the full
1290 days.**

**Only Post-trib makes this make any
sense.**

The Post-Trib rapture places the rapture at the last trumpet, as Paul so consistently states.

**Post Trib is far more simple to understand.
Pre-Wrath is rather confusing.**

**Post Tribulationism best explains the Great
Multitude in Revelation 7**

Problems with Post-Trib

**The sixth seal describes the rapture/return
and the the trumpets and bowls seem to
follow consecutively.**

“The Trumpets CANNOT begin until the seventh seal is opened according to Rev 8:1-4. No posttribber has ever been able to explain this passage in any meaningful fashion.” —Kurschner

Matt 24-36-39 and Luke 17- 26-29

**I just find it hard to believe when God pours
out the trumpet and bowl judgements that
sinners will be living normal lives.**
